BOARD

- Next executive board meeting April 9, 2021 (10:00am)
- Next general board meeting May 29, 2021 (10:00am)
- The policy committee met this week and updates to several policies are in your email for your perusal and feedback.

Approved meeting minutes are available on the website and meeting dates for the remainder of the year are also available on the same page: <https://www.nlls.ab.ca/about-us/board2#grid>. The entire General Board meeting package is available in the board vault on the website: <https://www.nlls.ab.ca/board/board-meeting>. You will need to login (passwords can be recovered directly on the site).

OPERATIONS

- We are pleased to announce that Mary Dustow will be joining the team as our new part-time Indigenous Relations Advisor.
- Monday saw HQ without power. We appreciate the patience of our libraries. As the hub for Internet in our system when we are down all our libraries are down.
- Our job advertisement is up for [the Manager, Technology Services and Infrastructure](#).
- Nearly the entire staff was in an all day training on Wednesday. We are all up to speed on the Freedom of Information and Protection of Privacy (FOIP) legislation.
- We have made a number of staffing and organizational changes. Too many for this one page report. I have included a second document for your reference, including the new organizational chart.

LIBRARIES

- I met with the library manager from St. Paul this week. Unfortunately our power outage on Monday forced a reschedule of two other library manager meetings.

I just put a hold on: *Project Hail Mary* by Andy Weir. He wrote *The Martian* (later a movie with Matt Damon). It should be out early May... exciting.
