- Congratulations to Vicky Lefebvre on her successful election as board chair. This is a 2-year appointment.

- Welcome to the newest member of the Executive Committee, Justin Thompson from Vermilion.
- Thank you to Craig Lukinuk for his service on the Executive Committee

**OPERATIONS**

---

- We have hired a new Web Development Specialist, Hardik Ponda. He will join the team on June 28<sup>th</sup>. Hardik will be working remotely from his home in Regina.
- We conducted further interviews for our Technology Services and Infrastructure manager position.
- We are pressing forward with cellular service upgrades in the headquarters building. This will ultimately increase our library's access to us and reduce overall communication costs.
- These weekly board updates will now also be sent to our library managers

**LIBRARIES**

---

- The Library manager's council met this week. It was a pleasure, as always, to meet with our libraries.
- It appears libraries will be able to re-open later this month. Several have re-opening plans in place and we are facilitating the sharing of those plans in the system.
- Our Summer Reading Program webinar was run by our consultant, Michelle Terriss, this week. From all accounts the program looks to be shaping up nicely.
- Michelle was able to tack on some Microsoft Teams training to the Summer Reading Program webinar. We will continue to train on Teams over the coming months.
- We have scheduled a meeting with the Fishing Lake settlement council regarding system membership for early next week.

My daughter graduated from highschool on Thursday, here in Utah, and I was thus off for the day. Her graduating class had nearly 600 students. The vast majority of that class and their friends and family, having been vaccinated, were able to meet in the football stadium for the ceremony. A ceremony complete with fireworks. It certainly felt like a fitting end to her high school career, and maybe, a sign of the end of this pandemic. Maybe we've all graduated...
