Show this Bibliodex at your library for an entry into the Summer Reading Club prizes draw and for your next mission!

Solve a Mystery	
Capture a Creature	
Save the Town	
Travel Through Time	

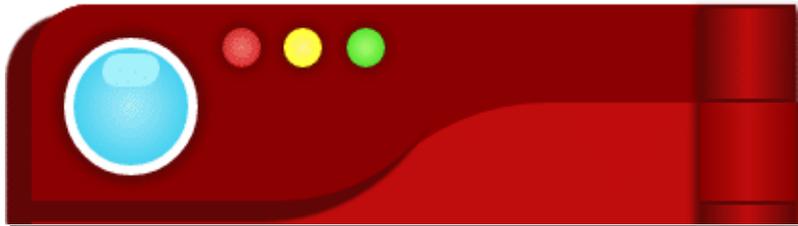

Bibliodex

Summer Reading Program 2021
 Mission log of: _____
 Mission: Begin Exploration

Message from Professor Elm:

Welcome back again, Trainer! Now that we know that Mewtwo is behind all of this trouble, we have to capture him before things get out of hand!

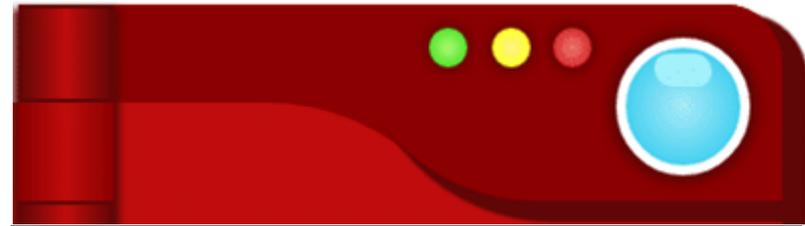

Third mission: Capture a Creature.

Objective one: read a book with a character who must hunt, track, catch or find something.

Objective two: Do an advanced search in your library's database.

Objective three: Plant a lure.

When you complete the mission, be sure to show your Bibliodex at the library for your prize entries, and to receive your new mission.

Plant a Lure

Mewtwo is attracted to plants! Plant something and take good care of it to lure him out. If you can't plant anything, find a nearby flower and take care of it. Watch for signs of Mewtwo!

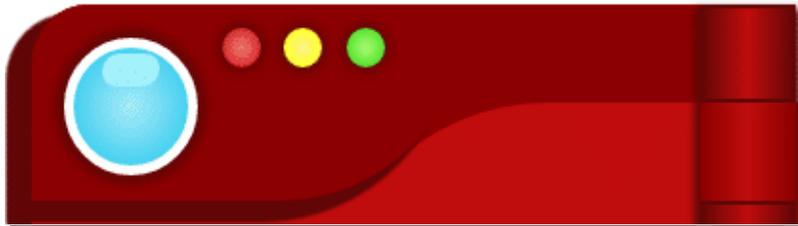

Name of your plant:

Plant colour:

Plant scent:

Draw a picture of your plant:

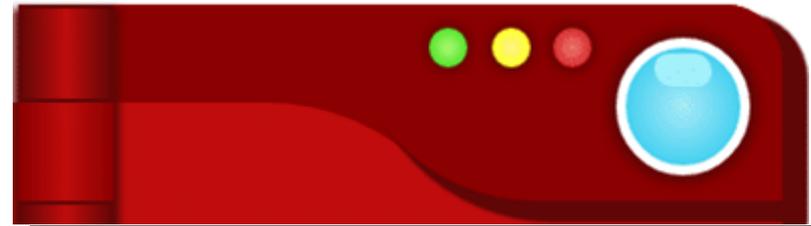

BONUS PAGE!

Have you ever caught anything before?

Blank area for writing or drawing.

BONUS PAGE!

Draw something that you, your family or your friends caught.

Blank area for drawing.
