Show this Bibliodex at your library for an entry into the Summer Reading Club prizes draw and for your next mission!

Solve a Mystery	
Capture a Creature	
Save the Town	
Travel Through Time	

Bibliodex

Summer Reading Program 2021
 Mission log of: _____
 Mission: Begin Exploration

Message from Professor Elm:

Welcome, Trainer! Thank you for helping with my research! You've made it just in the nick of time: strange signs are popping up around North Eastern Alberta with wild books and cryptic clues. Will you help me discover what's happening?

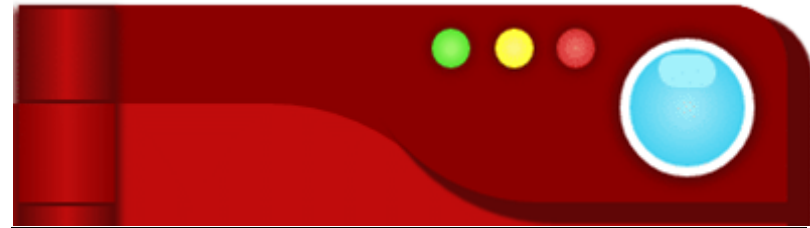

First mission: Begin Exploration.

Objective one: Get a library card.

Objective two: Read three books of any type (watch out for books on mysterious signs!).

Objective three: Find and capture a picture (on screen or on paper) of a bumblebee, a muskrat, a jack pine, and a strawberry.

When you complete the mission, be sure to show your Bibliodex at the library for your prize entries, and to receive your new mission.
