Assignment: Reconnaissance

Dear Ministry Agent,

Our department of temporal anomalies has detected alterations to the timeline. We need you to go back in time to discover what should have happened, and what has been changed. Take this time-turner and head to the library!

Assignment: Time Travel

Objective one: Read a book that is more than 50 years old

Objective two: Read a book set in an alternate history

Objective three: Visit a museum, archive, or historic site

Objective four: Ask a grandparent to show you an item from their past, and tell you its story.

When your assignment is complete, bring your Maureader's Map back to Ministry Headquarters so that we can give you a new assignment to learn more about this unusual activity, and be sure that you are entered into a draw for prizes. Thank you, agent!

Regards,
Hermione Granger, Minister of Magic
