Assignment: Reconnaissance

Dear Ministry Agent,

Thank you for accepting this assignment; we have had reports of unusual magical activity in your area and we need you to investigate. Once you are signed up at our Ministry Headquarters (disguised as the library) you can help us look into these strange occurrences.

### Assignment: Reconnaissance

Objective one: Sign up with Ministry Headquarters for a library card

Objective two: observe the following creatures and report on their behaviour: a monarch butterfly, a common raven, a rabbit and a blue jay.

Objective three: Read three books from Ministry Headquarters.

When your assignment is complete, bring your Maureader's Map back to Ministry Headquarters so that we can give you a new assignment to learn more about this unusual activity, and be sure that you are entered into a draw for prizes. Thank you, agent!

Regards,  
Hermione Granger, Minister of Magic
