The following report is for your information. If you have questions, concerns, compliments please direct them to the Executive Board representative for your zone. Contact information is found on page two of this report.

BOARD

- Next general board meeting November 27th (10:00am)
- [Draft Minutes](#) of the August 27, 2021 general board meeting are available.
- The member-at-large position on the Executive Committee has been filled by Curtis Schoepp, Mayor of Whispering Hills. Congratulations and thank you Curtis.
- Jenn Anheliger has filled the vacancy on our policy committee. Congratulations and thank you Jenn.

OPERATIONS

- I was out of the office Mon-Thur taking my daughter off to the University of Utah. That is a very long drive.
- We had a number of library managers at HQ on Thursday for training. I've heard good things about how that went. We had managers here from: Lamont, Tofield, Vilna, Edmonton-Garrison, Fishing Lake, and Frog Lake.
- All 3 of our summer students are now finished for the season. Grants from Young Canada Works, and Rupertsland were well used this year. A big shout out to Terri Hampson for her work on these grants!

LIBRARIES

- Site visits from our consultants and Technology services folks this week included: Marwayne, Myrnam, Radway, Viking, and Ryley. I understand we have only about 5 more libraries to get to.
- The NLLS Summer Reading Program ends today. We will be doing prize drawings next week.

Consider for a moment that in 2020 our Technology Services team conducted 984 Go-to-Assist sessions. That is where they remotely connect to a computer and walk people through some technical task, fix something that has gone wrong, or make changes to your computer. Given that there were just 3 people in that department, and all else they do, that is an astounding number. If you've benefited from this kind of one-on-one remote support you can understand how much time and service 984 sessions must represent. Amazing.
