OPERATIONS

- Locks. We have nearly completed getting locks on all the interior doors at headquarters.
- 1/3 of our library's computers have been updated to the new security system replacing Cylance (FortiEDR). The TSI department will be working hard to ensure everything moves over by the 19th. Please see Tim's email to all library manager's today "[ACTION REQUIRED] - 10 Days Remain to Install FortiEDR Security Software on Library Computers" with the details.
