To Whom It May Concern:

RE: ELIZABETH METIS SETTLEMENT LIBRARY PROPOSAL

On behalf of the Elizabeth Metis Settlement, I would like to thank you for this opportunity, I believe this library will provide resources and services for literacy and education to anyone in need or wanting access.

As a start, we have members who want to sit on the library board. However, we have other requests that would benefit the startup of the library, the request are as follows:

- The Settlement will need to hire a librarian hire at 30 hours per week at \$21 an hour.
- The Settlement is requesting to have Starlink installed at the building, this would be a cost of \$700, this includes the installation and payment for the summer.
- Requesting two bookshelves, and two computers.

Should you have any questions please contact the undersigned at (780) 594-5026.

Sincerely,

Sharna Collins
