

ALTA Report to NLLS – November 2023

Jenn Anheliger – Area 8 Director

ALTA Membership Fees

As of November 1st, ALTA membership fees are due. Payment can be made directly through the ALTA website and logging in or through cheque. There are no changes to membership fees for the 2024 year.

Area 8 Alternate

Currently we need an alternate for the area 8 director. Commitment is less than 2 hours every other month. This is a great opportunity to support fellow trustees across the province and lend your voice to a phenomenal board of professionals with extraordinary passion for libraries. Please consider joining our board.

ALTA Webinar Series

All webinars are complete and available for viewing as either personal PD or to do as a board.

ALTA Symposium

The Alta symposium took place on November 9th, 2023, at the River Cree Resort and Casino. This is the first in person event ALTA has hosted since ALC in 2019. The event was done in partnership with YRL, NLLS, Peace Library System and Parkland Library System. The gracious support of the system partners allowed this symposium to move forward and was a great success.

The event hosted 105 trustees across the province. With a full governance training session hosted by Ian McCormack in the morning (which is available to view in on our trustee toolkit), trustees had the opportunity to network and learn alongside their colleagues. Pending survey feedback, ALTA may seek to offer a second symposium in the new year in southern Alberta.

Please continue to contact me with any questions or concerns you may have
